“BID FORM” Continued

By signature below, bidder (buyer) certifies that he/she understands:

- A. All sales are final to the highest bidder and sold “as is, where is”;
It is the bidder’s responsibility to personally view the items upon which he/she bids and assure himself/herself as to its condition and as to its meeting the bid description. The County takes no warranty, either expressed or implied as to the condition of the equipment being sold or its fitness for use of merchantability. The County of Tulare does not warrant conformity of said vehicles to the requirements of the California Vehicle Code;
- B. Vehicles are not presently licensed and successful bidder (buyer) is responsible for obtaining DMV registration and payment of sales tax directly to DMV at time of registration;
- C. The successful bidder (buyer) is responsible for obtaining a “moving permit” from DMV for the vehicle before driving on streets or highways;
- D. The successful bidder (buyer) is liable for re-certification of smog device and that such certification shall not be the responsibility of the County of Tulare.

Pursuant to California Vehicle code 24007.5, notice is given that all buyers of vehicles must obtain a certificate of compliance for smog control devices prior to registration. The document certifies the vehicle complies with applicable Health and Safety Code requirements. Purchases by dealers and vehicles sold for dismantling or for exclusive off-highway use are exempt from this requirement.
